THE CONVENTION Join the California Seed Association for the 78th Annual Convention at TheTurtle Bay Resort. A truly iconic Hawaiian landmark. The only resort of its kind anywhere on the North Shore of Oahu, the idyllic location is the perfect base to get fully immersed in the authentic island experience. Situated on a majestic outcropping with panoramic views of the breathtaking shoreline, you won't find anything in the world that even comes close to this Hawaiian resort. With room to roam across more than 800 acres of property, this is the place to literally get away from it all. This is a land of supreme natural beauty, where rocky coastline and crashing surf are countered by lush tropical landscapes and endless trails.

CSA COMMITTEE MEETINGS

All members are encouraged to attend the various committee meetings which will be held Monday and Tuesday. This is the first step in CSA's policy development process. The Plant Breeders & Biotechnology Committee, the Legislative Committee, the Field Seed/Seed Certification/Turf Seed Committee, the Vegetable/Flower Seed/Grower & Shipper Liaison & Plant Health Committee as well as the Industry Communications & Youth Activities Committee will have their meetings on Monday. The Spinach Committee will meet on Tuesday. During the General Session on Tuesday morning, reports will be given by each committee chair in a panel format to discuss specific highlights and action items that developed at each meeting. Attendees are encouraged to participate in these meetings.

SPOUSE/GUEST CONTINENTAL BREAKFAST & ISLAND CRAFTS Spouses and/or guests of industry representatives are invited to join together for a morning of food, fellowship and Hawaiian crafts. Come to meet fellow convention attendees and learn how to make a Hawaiian flower crown or lei to wear at the Luau.

This is an opportunity to meet fellow convention attendees in a breathtaking setting with appetizers, drinks and music generously hosted by Sakata Seed America and CSA wishes to thank them for their sponsorship and congratulate them on celebrating a company milestone.

GENERAL SESSION This year the **General Session** will be held on Tuesday morning at 9:15 am. Topics will include updates from each of the **Committee Chairs** on discussions at their meetings. This year we have invited **Keynote Speaker, Hawaii State Representative Lauren Kealohilani Matsumoto** to speak to CSA. Representative Lauren Kealohilani Matsumoto traces her roots in Hawaii back to 1859. She is the 6th generation to be born and raised in the islands, and is a member of the prestigious Daughters of Hawaii. Her great-grandfather founded Peterson's Upland Farm in 1910, and the farm is celebrating its 103rd anniversary this year as a family-run business supplying fresh eggs to our communities. After graduating from Mililani High, Lauren spent time volunteering at an orphanage in Malawi, Africa. When she returned, Lauren attended the University of Hawaii at Manoa. She earned a degree in Film Production from the Academy of Creative Media and minored in Business and Japanese. After graduating from the University of Hawaii, Lauren went on to win the title of Miss Hawaii 2011. Lauren's first experience with the Hawaii State Legislature was with her documentary "Farm Grown," which aided in the passage of the Feed Subsidy Bill. Lauren is committed to public service and is a dedicated and a productive member of the Legislature.

RECEPTION/PRESIDENT'S LUAU AND HAWAIIAN ENTERTAINMENT Tuesday evening the group will meet at Kulima Point to enjoy a light reception, the beautiful ocean view and the silent auction. The President's Luau will follow the reception, which will include a feast fit for a king of delicious Hawaiian food as well as top-notch after dinner Hawaiian entertainment and dancers.

OPTIONAL ACTIVITIES

GOLF TOURNAMENT The Arnold Palmer Golf Course designed by Arnold Palmer and Ed Seay, was rated one of Golf Magazine's "Top 10 New Courses" in America and ranked 4th among Golf Digest's "Best New Resort Courses in America" the year it opened. The Palmer-Seay layout features two very distinct experiences. The front nine will challenge golfers with a Scottish Links style layout, while the back nine has a more tropical setting as it meanders through a tropical jungle and forest of ironwoods. The course forms a horseshoe around the Punaho'olapa marsh, an unspoiled 100-acre wetlands and bird sanctuary. Water comes into play on 14 of the Palmer holes. The 17th, the signature hole offers panoramic Pacific ocean views from the green while the hole is dotted with nine bunkers, which makes it as challenging as it is scenic. The par-72 Palmer Course measures 6,225 yards from the resort tees. When played from the Palmer (black) tees, this 7,218-yard seaside course presents a stiff challenge to even the best players in the world. Sand traps are plentiful, with more than 70 menacing the fairways and protecting the greens.

BOCCE BALL TOURNAMENT Throwing balls toward a target is the oldest game known to mankind. The object of the game is for individual or team players to roll a larger ball (bocce) closer to a smaller target ball (pallino) than their opponents. The exceptional democratic spirit of the game of "Bocce" is the basis on which its deeply peaceful character is founded. It is often the beginning of long friendships. Join us on the three courts located next to the spa at the resort Tuesday afternoon for a memorable tournament! The players will be limited to the first 48 signed up.

MONSANTO OAHU FACILITY TOUR An optional tour will be offered on Sunday afternoon at the Monsanto Oahu facility. Monsanto is a proud member of Hawaii's agricultural community. Their island roots go back five decades to the 1960s. Monsanto's operations in Hawaii are agricultural farms that play an important role in developing new varieties of crops, both conventional and biotech. Their products offer enhanced plant qualities, such as drought tolerance and improved resistance to disease and pests.

WHALE WATCHING TOUR Join in with industry friends as you experience the best of North Shore during a beautiful afternoon whale watching trip aboard a catamaran. Departing from the North Shore gives a distinct advantage of having quick and easy access to Oahu's best whale watching areas. During the whale watching season, the ocean boils with activity from humpbacks and marine life, just a few minutes away from where the boat is docked. It is a truly amazing experience!

KAHUKU FARM TOUR Enjoy a 30 minute wagon ride of a family farm and see where all the fresh Papaya and Apple Bananas for our smoothies are harvested. Includes a yummy fresh fruit Papaya Power smoothie. Kahuku Farms is a result of two farming families spanning back three generations in Hawaii. Descendents of the Matsuda/Fukuyama families migrated to Hawaii from Japan to work in the sugar plantations back in the 1900's.

5K RUN/WALK Your chairperson, along with many of the committee members, will be up and running Wednesday morning along the beach! To ensure a good fit on the shirts, please indicate the desired size. With your entry fee you will receive a custom shirt, first class awards, post-race refreshments, exercise and a great time!
