

DATE: October 16, 2019
TO: Producers/Growers of cucurbit seed and transplants, crews, PCA's and seed companies in Yolo, Colusa, Glenn, Solano and Sutter Counties
County Agricultural Commissioners of Yolo, Colusa, Glenn, Solano and Sutter Counties

SUBJECT: Cucumber Green Mottle Mosaic Virus Outreach & Educational Training – Two Locations

November 19, 2019 (Tuesday)
8:30am – 12:30pm (lunch included)
Colusa Industrial Properties
100 Sunrise Blvd, Colusa, CA

November 21, 2019 (Thursday)
8:30am – 12:30pm (lunch included)
Yolo Fliers Club
17980 Co. Rd. 94B, Woodland, CA

Are you involved in the production of cucurbits and interested in participating in an interactive exchange with others in the industry? We are looking for: Growers, Transplant Nurseries, PCA's, Labor Contractors, or anyone who has the potential to enter a cucurbit seed or fruit production field or come into contact with cucurbit plants. The California Seed Association will be offering training in Cucumber Green Mottle Mosaic Virus (CGMMV) to cucurbit seed and transplant growers, and seed companies in Yolo, Colusa, Glenn, Solano and Sutter Counties. In preparation for the meeting please review the recently updated English or Spanish version of the ASTA bulletins on CGMMV. http://www.calseed.org/cgmmv.html

Objectives: To identify the risks associated with daily activities that potentially can spread CGMMV and to identify potential mitigation that can be implemented in addition to recommendations already identified.

Program:

- Welcome and Introduction by: Donna Boggs
CGMMV Historic Overview and Background on Issues by: Tom Moore and Donna Boggs
Research Being Done at UC Davis by: Tera Pitman
Biosecurity & Sanitation including Best Manufacturing Practices and NSHAPP by: Tony Sandoval, Leslie Poland & Tom Day
Ag Commissioners Update: Moderated by Nicolas Oliver with Anastacia Allen in Colusa and Dave Brown in Woodland
Growers and Labor Roundtable Discussion with Q/A, Patty Buskirk Moderator with Local Grower Participants on Panel

This workshop has applied for continuing education credits and we will notify attendees when approved. Seating is limited and registration via RSVP is mandatory. RSVP's will be taken in the order that they are received and once the seating capacity is reached names will be added to a wait list. Send RSVP to CSA by email: donna@agamsi.com or FAX: 916-446-1063. We cannot accept phone RSVP'S. Please check which location you plan to attend.

November 19, 2019 – Colusa (Tuesday) or November 21, 2019 – Woodland (Thursday)
